Dear Mr. Street, I wish to give notice an application for transfer will be filed in the Missouri supreme court and ask all nessesary documents and files and or if applicable the appeals court response to my motion for transfer be filed sent to the supreme court as as well as myself . PS I was not afforded the full 15 day notice because I never got responses to previous emails and was not aware of the courts decision until I received it by mail. Thank you for your time and attention to this matter.

Sincerely ,
